Sir,

I have the honor to state that the temple of Sri Lakshminarasimha Swami at Hole Narsipur Kasba has a sanctioned scale of annual expenditure amounting to Rs 529-10-00. During the year 1907-08 a sum of Rs 610-11-3 was spent for the institution. The excess is attributable to a sum of Rs 81-1-3 having been incurred for payment of local cess, gate &c paid to government out of temple funds. The Comptroller took objection in his docket

137/Muz 24. d. Ld 28th February 1909

to this excess expenditure of Rs 81-1-3¹⁶
as not being included in the scale of
expenditure sanctioned for the temple
and desired that the sanction of government
should be obtained therefor.

2. The amount of Rs 81-1-3 appears
to have been spent every year out of
temple funds on bills countersigned by
this office. But however as no provision is
made in the scale of expenditure for
of the said sum I request that sanction of
government may be obtained for Rs 81-1-3
having been incurred during 1907-08 for
payment of local cess & godi due to government
from the temple funds.

"Hence the sum of Rs 81-1-3

is requested for sanction

during 1907-08 being the amount of
local cess, Jade etc due to Government
from the funds of the Sri Lakshmi

the local cess etc payable for the

credit the amount before the
end of the official year.

2 I am afraid the lampbrella
will again take objection as the
expenditure is not provided for
in the Scale of expenditure of the
institution. As this is a recurring
charge I request that the Chaudhar
may be authorized to incur an
expenditure of Rs 81-1-3 annually
on bills countersigned by this
office the fact being intimated
to the lampbrella. The expenditure
incurred for 1908-09 may also be
sanctioned. I have the honour to be

With reference to correspondence ending with your
docket no. 703/ 5747-22-7 dated 7th September 1909, request
for sanctioning the authority sanctioning the scale of
the Maharaja's temple at Hole-Narsipur as it
should also the particulars of receipts from all sources
of the institution, I have the honor to state that it is ascer-
tained that a scale which was received sanctioned with the
Muzrai Secretary's docket no. 1714 dated 5th May 1900 has been
in force and that the income of the institution amounts
to Rs 644-2-5 as detailed in the margin.

2. From a copy of the scale furnished by the Amildar,
it is seen that the receipts of Rs 129-12-5 realized from the
Maharaja's temple belong to the temple as also the expendi-
ture of Rs 21-1-3 on account of Jodi and local cess due to

Government on the temple lands, have not been taken into account,
the Amildar reports that these two items may be included in the
scale and proposes that a cess for certain Petchakattle
properties may be raised at Rs 48/- annually. He has furnished
a rough March Patti, and it shows that the expenditure of a
day at the temple during the Dasara will be about Rs 5/-

and, while the amount sanctioned is only Rs 4/- for the
whole period of 10 days. It is reported that there are no fixed
fundamental funds available at the credit of the institution and

that

that the prescribed sevas were hitherto being conducted with the Tasdik allotment supplemented by the contribution received at the time from devotees .

3. As it is urged that private donations are being no longer received and considerable difficulty is felt for want of funds to conduct the sevas on Hetcha'atle occasions, I recommended the enhancement of the Tasdik by Rs 48/- as proposed by the Amildar, and request that the sanction of Government may be kindly accorded to the same, the extra expenditure being met from the annual realisation of Rs 129-1-0 from the Sappina Wadi lands of the temple.

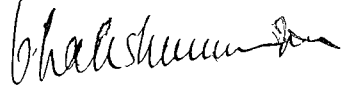

4. I submit herewith a revised scale of receipts and expenditure also for favour of approval of Government.

5. The two files of vernacular correspondence ending with the General Assistant Commissioner's Yadi No. 739 dated 10th January 1907, and the Hole-Harsipur Amildar's report No. 18 dated 14th September 1917, are forwarded herewith for reference.
